3.10. Food Truck Festival

Supervisor Richardson explains the 2026 Food Truck Festival, although there was a lot of positive feedback for vendors to attend, had to be canceled due to budgetary constraints. The cost for the bands, employee overtime, closing down O & R Rd, along with the County distribution issues that's going on. There was a dj booked but felt it was a disservice and, unfortunately, the dj couldn't attend this date. Instead of doing it this way, the Town Board conferred and decided to do it somewhere like Museum Village, where we don't have to shut down the road and pay a better homage to the Food Truck Festival than doing it at a discounted price. Our mortgage tax distribution came in dangerously low this year. We get it in two lump sum payments and typically our up-top payments is much larger, split in half, we did not see the revenue return. In this economy, basically no one is buying homes and that's a big chunk of the Town's revenue. So, we got together and basically expressed interest in allocating the celebration money to the July 4th Firework Festival. Moving forward having the Food Truck Festival once a year, based on attendance dropping in the last few years. Thank you to all the food trucks and vendors who volunteered for the Festival.

3.11. Dog Shelter IMA

Supervisor Richardson speaks regarding the Woodbury Dog Shelter IMA. If anyone in the public is told that we do not have a contract with Woodbury, that is misinformation. Our contract was signed in 2025 for a contract period of Jan 1, 2025 through Dec 31, 2025 but it has an automatic renewal clause for a period of one year unless there was notice given.

3.12. PFK O'Connor Davies Town of Monroe Audit

-Supervisor Richardson: Okay, Darius, what do we have to do for the public hearing for Seven Springs? Basically, it got thrown out of whack because of the shift in meeting schedule, because of the audit and early voting. So, how do we handle this?

-Town Attorney Darius Chafizadeh: Correct. The town law for this road issue requires certain timings. So, we have to schedule for the next meeting. I think it's July 13th, if I'm correct.

-Supervisor Richardson: Yes. It's the next Monday after the Independence Day break.

-Town Attorney Darius Chafizadeh: So, if we could schedule that today for July 13th, we'll get all the notices with the applicant properly posted and properly sent to the newspaper, etc.

-Supervisor Richardson: Okay. So, I will make a motion be it resolved that the Town Board of the Town of Monroe makes a motion to open the public hearing regarding the consideration of highway improvements to Seven Springs Road pursuant to New York State town law 200.

-Supervisor Richardson: I'm sorry, I should have included that is. Should I just make a separate motion or can I tag on?

-Town Attorney Darius Chafizadeh: To do what? I'm sorry.

-Supervisor Richardson: I'm just like I basically made a motion. I don't know if your transmission from your office didn't have a date provided in it or the paper that I read just doesn't have the public hearing date in it. Let me see.

-Town Attorney Darius Chafizadeh: For July 13th.

-Supervisor Richardson: Let's redo that.

-Town Attorney Darius Chafizadeh: The other one had July 1st, so July 13th.
